Adopt-A-Park/Spot Program is to create a public service experience that encourages residents and businesses to work with Pleasant Hill Parks and Recreation (PHPR) to beautify city parks/spots. The program provides participants with a sense of park/spot ownership and an outlet to give back to the community and protect our park/spot areas..

Suitable adopters include, but not limited to: community groups, businesses, churches, scout and 4-H groups, students, individual citizens, etc.
